## **Press Release (Pakistan Medical & Dental Council)**

### **PM&DC to conduct National Registration Examination (NRE) in August**

21<sup>st</sup> June 2023 Islamabad: Pakistan Medical and Dental Council is all set to conduct National Registration Examination (NRE). PM&DC is pleased to announce the upcoming National Registration Examination, scheduled to take place in August. This highly anticipated Medical and Dental examination for foreign medical graduates is designed to allow aspiring professionals to showcase their knowledge and skills, paving the way for their future success.

The National Registration Examination is a crucial step for foreign medical and dental graduates in their professional journey, serving as a comprehensive assessment of individuals seeking licensure or registration in their respective disciplines. It is an essential benchmark that ensures the highest standards of competence and expertise are met within the industry. To facilitate the candidates across Pakistan PM&DC is going to conduct the NRE in 4 major cities of the country i-e Lahore, Karachi, Rawalpindi/Islamabad, and Peshawar. The NRE exam will be conducted by NUMS (National University of Medical Sciences) under the supervision of PM&DC.

The syllabus of NRE is available on the PM&DC website. Only candidates with Provisional licenses (issued by PM&DC) will be able to register themselves for the said examination. It is advised to the aspiring candidates to complete the pre-requisite documentation required for registration for the said examination.

PM&DC is committed to maintaining the highest standards of professionalism and expertise. By conducting the National Registration Examination, the department aims to promote public trust and confidence in medical and dental professionals and ensure the continued growth and development of this field.

All aspiring candidates are encouraged to visit the official website of the PM&DC at [www.pmdc.pk](http://www.pmdc.pk) to obtain detailed information regarding the examination, including eligibility criteria, registration procedures, and syllabus. It is essential to review the guidelines thoroughly and adhere to the specified deadlines to ensure a smooth and successful registration process.

The PM&DC Council decided to uphold the decision of scholarship program offered to the students who got eligible for scholarship of PM&DC. The council has assured, all students who qualified for scholarship program shall get their second scholarship installment on 1st week of July 2023. Almost 301 students shall be given scholarships. For further queries students can contact PM&DC.
